

THOMAS L. DAVIS, MD

For nearly 20 years, South Texas Dermatopathology Laboratory has been privileged to include renowned dermatopathologist Dr. Thomas L. Davis as a valued member of its pathology staff. Dr. Davis is nationally board-certified in dermatology and in dermatopathology. Dr. Davis' medical education credentials

are impressive, having earned a medical degree (M.D.) from the University of Texas School of Medicine, San Antonio, TX. Since then, Dr. Davis successfully completed: a one-year internship in internal medicine at the Wilford Hall Medical Center, Lackland Air Force Base, San Antonio, TX; a three-year residency in dermatology at the Wilford Hall Medical Center, and a one-year fellowship in dermatopathology at the New York University Langone Medical Center, New York City, NY.

Prior to attending medical school, Dr. Davis earned a Bachelor of Science degree in biology from Baylor University, Waco, TX. In recognition of his academic achievements during his undergraduate years at Baylor, Dr. Davis was selected for Phi Beta Kappa Society membership—an honor bestowed on only an estimated one-percent of all college seniors, nationwide. An excellent teacher and speaker, Dr. Davis has served as a faculty member at several regional and national meetings.

Dr. Davis served in a series of key positions within both the academic and clinical service arenas, including ten years of honorable service as an active-duty US Air Force military officer, as exemplified by the following:

- Chief of Dermatology, 509th Strategic Hospital, Pease Air Force Base, Portsmouth, NH (1987-88).
- Chronologically: 1) Dermatologist, 2) Chief of Dermatopathology, 3) Assistant Chair, Department of Dermatology, Wilford Hall Medical Center, Lackland Air Force Base, San Antonio, TX (1989-93).
- Clinical assistant professor of medicine (Dermatology), University of Texas Health Science Center, San Antonio, TX (1989-93, 2013-present)
- Assistant professor of clinical dermatology, Department of Dermatology, F. Edward Hebert School of Medicine, Uniformed Services University of the Health Sciences, Bethesda, MD (1990-93).
- Assistant clinical professor of pathology, University of Texas Health Science Center, San Antonio, TX (1996-present).

As a gifted author, Dr. Davis' expertise in dermatology and dermatopathology has been demonstrated via his co-authorship of several articles that were subsequently published in some of our more prestigious scientific journals. (See the reverse side of this CV for a Sampling of Published Works.)

Dermatopathologist

BOARD CERTIFICATION:

Dermatology
American Board of Dermatology
Dermatopathology
American Board of Dermatology

FELLOWSHIP:

Dermatopathology
New York University
Langone Medical Center
New York City, NY

RESIDENCY:

Dermatology
59th Medical Wing
Wilford Hall Medical Center
Lackland Air Force Base
San Antonio, TX

MEDICAL SCHOOL:

University of Texas
School of Medicine
San Antonio, TX

PROFESSIONAL SOCIETY MEMBERSHIPS:

American Academy of Dermatology
(Fellow)
American Society of Dermatopathology
(Fellow)
Bexar County Medical Society
International Society of Dermatopathology
San Antonio Dermatological Society
(past President)
San Antonio Society of Pathologists
Society of Air Force Physicians
Texas Dermatologic Society
Texas Medical Association
