**FALL RIVER, MASSACHUSETTS (USA).** University Pathologists (UPLLC), an Aurora Diagnostics Partner, is recruiting for an experienced Histology Technician, to join our team. We are seeking candidates interested in a dynamic multi-specialty pathology practice serving both inpatient and outpatient clients in three states, MA, RI and CT.

The candidate must meet CLIA Testing Personnel Qualifications. The candidate must also have successfully completed a NAACLS accredited histology program or have a minimum of one year experience as a Histology Technician Trainee, with competency in the areas of grossing, embedding, microtomy and special stains. University Pathologists is committed to providing outstanding service in all aspects of community-based clinical and anatomic pathology; therefore, flexibility and strong training is a must. Candidates must have excellent communication skills, and be able to interact well with clinicians and laboratory staff. The successful candidate should be a strong team player and have the ability to work independently.

This full-time position is an integral part of our histology laboratory in southeastern Massachusetts. University Pathologists is a growing, multi-specialty, multi-state professional group of 20 pathologists, providing Anatomic and Clinical Pathology to multiple hospitals, surgery centers and outpatient facilities in Southern New England.

The position is available immediately. Interested candidates should send a letter of interest and resume addressed to:
