

CURRICULUM VITAE

EDUCATION AND TRAINING:

- 1972-1976 B.A., Natural Sciences, Phi Beta Kappa, The Johns Hopkins University
Baltimore, MD.
- 1976-1980 MD, Columbia, College of Physicians and Surgeons
New York, NY.

POSTDOCTORAL TRAINING:

- 1980-1981 Internship, Internal medicine
University of Michigan
Ann Arbor, MI
- 1981-1982 Resident (PGY-2), Internal medicine
University of Michigan
Ann Arbor, MI
- 1982-1983 Resident (PGY-3), Internal medicine
University of Massachusetts
Worcester, MA
- 1989-1992 Resident (PGY4-6), Dermatology
Boston University/Tufts Integrated Residency Program
Boston, MA
- 1995-1996 Fellow, Dermatopathology
Boston University School of Medicine
Boston, MA

LICENSURE AND CERTIFICATION:

- 1986 Diplomate, American Board of Internal Medicine
- 1992 Diplomate, American Board of Dermatology
- 1996 Diplomate, American Board of Pathology and Dermatology
Special Qualification in Dermatopathology
- 1999 Re-certified, American Board of Dermatology
- 1983 Commonwealth of Massachusetts
Registration No: 52383

PROFESSIONAL APPOINTMENTS:

ACADEMIC APPOINTMENTS

1993-1994 Clinical Instructor, Dermatology
Boston University School of Medicine
Boston, MA

1994-1999 Assistant Professor of Dermatology
Boston University School of Medicine
Boston, MA

SERVICE ASSIGNMENTS

1983-1986 Internist, Department of Internal Medicine
Cutler Army Hospital
Ft Devens, MA

1986-1987 Research and Preventive Medicine Officer
Department of Military Ergonomics
U.S. Army Institute of Environmental Medicine
Natick, MA

1987-1989 Assistant Director, Clinical Test Center
Department of Dermatology
Boston University School of Medicine
Boston, MA

1999-2008 Associate Pathologist
Pathology Services, Inc.
640 Memorial Drive
Cambridge, MA 02139

2008-present Strata Pathology Services, Inc.
One Cranberry Hill, Suite 303
Lexington, MA 02421
(617) 252-6880

PROFESSIONAL SOCIETY MEMBERSHIPS:

1980-1986 American College of Physicians
1989-present Massachusetts Medical Society
1990-present American Academy of Dermatology
1994-1999 Society of Investigative Dermatology
1994-1999 National Psoriasis Foundation
1995-1999 Photomedicine Society
1997-2000 Member, Photobiology Task Force, AAD

1997-2000 American Society of Clinical Pathologists
1998-present American Society of Dermatopathology
1999-present New England Dermatologic Society
2006 Massachusetts Academy of Dermatology

PART II

TEACHING CONTRIBUTIONS AND THEIR RELATIONSHIP TO CLINICAL PRACTICE

MEDICAL SCHOOL TEACHING

1. Acne and related disorders, Dermatology Section, Biology of Disease Course, Boston University School of Medicine, 1993-1996.
2. Human Systems Skin Course, Harvard Medical School, 1999 to date.
Small Group Discussion.

POSTGRADUATE TEACHING

1. Department of Dermatology, Boston University School of Medicine, 1992-1998.
Numerous didactic sessions on phototherapy, acne, and various topics in dermatopathology.
2. Department of Dermatology, Boston University School of Medicine, 1993-1994.
Masters Program in Dermatology.
Weekly didactic sessions with physicians from other countries.
3. Boston City Hospital, 1996-1998.
Physician-Retraining Course.
Dermatology Component, afternoon didactic course for physicians retraining in primary care medicine.
4. Department of Dermatology, Boston University School of Medicine, 1995-1998.
CME course.
Acne and Papulosquamous Disorders, Dermatology for the primary care physician.
5. Dermatopathology Unit, Massachusetts General Hospital, 2000-2002.
Spongiotic Dermatitis Lecture, CME-course.
6. Division of Dermatology, Harvard Medical School, 1999 to date.
Dermatopathology Didactic Sessions.
Lecture on: Spongiotic and Psoriasiform Dermatitis, Cutaneous Deposition Diseases and Disorders of Cornification.
7. Pathology Services, Inc. 1999 to date.
Dermatopathology Review Course for Dermatology Boards.
8. International Training Program, Department of Dermatology, Harvard Medical School, 2003 to date.

PART III

BIBLIOGRAPHY:

ORIGINAL REPORTS

1. Gutin P, Hilton J, Fein V, Allan A, Walker M: DNA damage in the intercerebral rat gliosarcoma treated with 1-(2-Chloroethyl)-3-Cylohexyl-l-nitrosurea. Cancer Research 1977; 37:3761-3765.
2. Gutin P, Hilton J, Fein V, Allan A, Rottman A, Walker M: S₁, Nuclease from aspergillus oryzae for the detection of DNA damage and repair. Radiation Research 1977; 72:100-106.
3. Pandolf K, Allan A, Gonzalez R, Sawka M, Stroschein L, Young A: Chemical warfare protective clothing: Identification of performance limitations and their possible solutions. Trends in Ergonomics/Human Factors IV. SS Asfour (ed.) North Holland 1987.
4. Stephenson L, Kolka M, Allan A, Santee W: Heat exchange during encapsulation in a chemical warfare agent protective patient wrap in four hot environments. Aviation Space Environment Medicine 1988; 59:345-351.
5. Kolka M, Stephenson L, Allan A, Rock P: Atropine-induced cutaneous vasodilation decreases esophageal temperature during exercise. Am J Physiol 1989; 257:R1089-R1095.
6. Speckman K, Allan A, Sawka M, Young A, Muza S, Pandolf K: Perspectives in microclimate cooling involving protective clothing in hot environments, technical report. Intl J Industrial Ergonomics 1988; 3:121-147.
7. Weinstein GD, Nigra TP, Pochi PE, Savin RC, Allan A, Benik K, Jeffes E, Lufrano L, Thorne EG: Topical tretinoin for the treatment to photodamaged skin: A multicenter study. Archives of Dermatology 1991; 127:659-665.
8. Allan A, Tsou H, Harrington A, Stasko T, Grande D, Peacocke M: Clonal origin of dermatofibrosarcoma protuberans. Journal of Investigative Dermatology 1993; 100:99-102.
9. Allan A, Archambult M, Messena E, Gilchrest, BA: Topically applied diacylglycerols increase pigmentation in guinea pig skin. Journal of Investigative Dermatology 1995; 105:687-692.
10. Gilchrest BA, Allan A, Diacylglycerol-induced tanning-response to the editor. Journal of Investigative Dermatology 1997; 108:120-122.
11. Rohrer TE, Allan A: Angiolymphoid hyperplasia with eosinophilia successfully treated with a long-pulsed tunable day laser. Dermatologic Surgery 2000; 26(3)211-214.
12. Allan A, Shoji T, Li N, Burlage A, Davis B, Bhawan J: Kaposi's sarcoma arising in chronic post-mastectomy lymphedematous arms is found to be HHV8 positive by polymerase chain reaction. Am J Dermatol, 2001; 23(5)431-436.
13. Kroumpouzou G, Travers R, Allan A: Generalized hyperpigmentation with daunorubicin chemotherapy. J Am Acad Dermatol 2002; 46:S1-3.

CASE REVIEWS

1. Iacocca MV, Abernethy J, Stefanato C, Allan A, Bhawan J: Mixed Merkel cell carcinoma and squamous cell carcinoma of the skin. A report of four cases. J Am Acad Dermatol 1998; 39:882-887.

2. Allan A, Andersen W, Rosenbaum M, Bhawan J: Histologic features of lichen sclerosus et atrophicus in a surgical scar. Am J Dermatopath 1999; 21(4):387-391.

ABSTRACTS

#442 Topically applied diacylglycerols increase pigmentation in guinea pig skin, presented, Society of Investigative Dermatology, Washington, D.C., April 1994.

#74 Atypical necrobiotic xanthogranuloma: a case report, presented as a poster, American Society of Dermatopathology, March 1997.

#114 Features of lichen sclerosus et atrophicus in a surgical scar, presented as a poster, American Society of Dermatopathology, March 1997.

Kaposi's sarcoma arising in chronic post-mastectomy lymphedematous arms is found to be HHV8 positive by polymerase chain reaction. American Society of Dermatopathology, oral presentation, March 1998.

#7 A unique mucin-producing adnexal carcinoma of the eyelid, presented as a poster, American Society of Dermatopathology, October 2000.

Atypical scalp nevi in young individuals have melanocytes with a characteristic cytomorphology: An analysis of 117 cases. J Cut Pathol 2001; 10, 585.

#67 Pseudoxanthoma elasticum-like changes in calciphylaxis: A second case report presented as a poster, American Society of Dermatopathology, Sept. 2002.

Cutaneous larva migrans, presented as a poster, American Society of Dermatopathology, Oct. 2004.

MANUSCRIPTS IN PREPARATION

1. Adverse reactions following permanent make-up (cosmetic tattoo) procedure. Centers for Disease Control and Prevention. (CDC)

MAJOR AREAS OF INTEREST

Dermatopathology

Photobiology

Immunology

Oncology
