

## CURRICULUM VITAE

### **Muammar A. Arida, M.D.**

#### **Education/Post Graduate Training:**

M.D., University of Damascus Medical School, Damascus, Syria, September 1990 – November 1996.

Residency, Anatomic Pathology, University of Damascus, Damascus, Syria, September 1997 – March 1998.

Residency, Anatomic & Clinical Pathology, University of Pittsburgh, Pittsburgh, PA, July 2000 – June 2005.

Chief Resident, Anatomic Pathology, University of Pittsburgh, Pittsburgh, PA, July 2003 – June 2004.

Fellowship, Dermatopathology, University of Pittsburgh, Pittsburgh, PA, July 2005 – June 2006.

#### **Academic and Professional Positions:**

Dermatopathologist, Greensboro Pathology Services, LLC, Greensboro, NC, November 2008 – Present.

Staff Surgical Pathologist & Dermatopathologist, Gundersen Lutheran Medical Center, La Crosse, WI, August 2006 – November 2008.

#### **Professional Licensure:**

North Carolina Medical License #: 2008-01640	2008 - Present
Wisconsin Medical License #: 49351-20	2006 – Present
Pennsylvania Medical License #: MD423168 (Inactive)	2003 -

#### **Specialty Certifications:**

Dermatopathology (Primary Specialty)	09/18/2007
Anatomic and Clinical Pathology	08/11/2005

#### **Teaching Experience:**

1. Dermatopathology Conference, Department of Dermatology, Gundersen Lutheran Medical Center Monthly Clinical-Pathologic Correlation Conference with the Medical Center's Dermatologist, March 2007 – November 2008.
2. Teaching skin pathology to transitional year residents over dual-head microscope using daily sign out cases as well as my collection of slides and online image gallery of educational dermatopathology cases collected from my fellowship year and current practice, April 2007 – Present.
3. Dermatology Slide Conference, Department of Dermatology, University of Pittsburgh. Weakly teaching conference for dermatology and pathology residents, July 2005 – June 2006.
4. Dermatology Grand Rounds, Pittsburgh Academy of Dermatology meeting, Department of Dermatology, University of Pittsburgh. Presentation of histopathology findings of skin biopsies of patients viewed and discussed in monthly grand rounds, July 2005 – June 2006.
5. Interesting cases in dermatopathology, Department of Pathology, University of Pittsburgh. Lecture; Diagnostic Pathology Conference, September 2005.
6. Algorithmic approach to the histopathologic diagnosis of vesiculobullous disorders, Department of Dermatology, University of Pittsburgh. Lecture; Dermatology residents' didactic lecture series, August 2005.
7. Pathology informatics Course, Department of Pathology, University of Pittsburgh. Lecture; Practical use of handheld computers in pathology, 2004 – 2005
8. Small group facilitator – Slide sessions. Principles of basic pathology for medical students, University of Damascus, Damascus Syria, 1997.

#### **Professional Society Memberships:**

College of American Pathologists (CAP)  
United States and Canadian Academy of Pathology (USCAP)  
International Society of Dermatopathology (ISDP)

**Journal Publications:**

1. Arida M, English JC 3<sup>rd</sup>, Mully TW. Giant clear-cell acanthoma with keratoacanthoma-like changes: a case report. *Dermatology Online Journal*. 2006 May 30; 12(4):11.
2. Ionescu DN, Arida M, Jukic DM. Metastatic Basal Cell Carcinoma: Four Case Reports, Review of Literature and Immunohistochemical analysis. *Archives of Pathology and Laboratory Medicine*. January 2006; 130(1):45-51.
3. Arida M, Barnes EL, Hunt JL. Molecular analysis of the epithelial component of Warthin's Tumor. *Modern Pathology*. July 2005; 18(7):964-8.

**Abstracts and Presentations:**

1. Arida M, Hunt JL. Molecular analysis of the epithelial component of Warthin's Tumor. Poster presentation. United States and Canadian Academy of Pathology meeting, March 2004.
2. Patel AA, Roh E, Arida M, Jukic DM. Virtual slide study set – a collection of whole slide images of pathology slides. Digital poster presentation. Advancing Practice, Instruction and Innovation through Informatics meeting. Pittsburgh, PA, October 2004.
3. Roh E, Arida M, Davie JR, Jukic DM. The creation of virtual dermatology and dermatopathology classroom. Digital poster presentation. Advancing Practice, Instruction and Innovation through Informatics meeting. Pittsburgh, PA. October 2004.
4. Jukic DM, Arida M. Creation of educational pathology modules utilizing virtual slide technology (including dermatopathology virtual slide educational set). Provost's Innovation in Education Awards Program. University of Pittsburgh. October 2005.
