

CURRICULUM VITAE

William Jackson Hardman, III, M.D. (Sonny)

Education

Dermatopathology Fellowship: Departments of Dermatology and Pathology, Emory University School of Medicine, July 1, 1997 – June 30, 1998

Board Certification: Dermatopathology, November 2001

Board Certification: Anatomic Pathology and Clinical Pathology, November 17, 1997

Medical Residency: Department of Pathology, Emory University School of Medicine, 1992-1997

M.D.: Emory University School of Medicine, 1988-1992

BA: Newberry College, 1981, Cum Laude, Biology

Honors

- (1) Awarded 1st place, 12th Annual Postgraduate Pathology Symposium, Fares John Housestaff Poster Competition, Medical College of Georgia (04/18/98)
- (2) American Society of Dermatopathology Resident Oral Presentation Competition (San Francisco, Ca. 03/18/97)
- (3) Southern Medical Association Resident Oral Presentation Competition (Baltimore, Md. 11/23/96)
- (4) Awarded 1st place in the American Society of Clinical Pathology Resident Research Competition (ASCP meeting, New Orleans, La. 09/19/95)
- (5) Southern Medical Association Resident Oral Presentation Competition (SMA meeting, Kansas City, Mo. 11/17/95)
- (6) The Anatomic and Clinical Pathology Resident Representative for Emory University Department of Pathology (7/94-7/96)
- (7) Awarded Medical Student Research Fellowship, Stipend (5/88/5/89)
- (8) Presentation at the 35th Annual Medical Student Research Day at Emory University School of Medicine (3/89)
- (9) Semi-professional baseball (pitcher)
- (10) Collegiate athletic scholarship for baseball and football

Medical Organization Memberships:

- (1) International Academy of Pathology
- (2) The United States and Canadian Academy of Pathology
- (3) American Society of Clinical Pathology
- (4) College of American Pathology
- (5) Medical Association of Georgia

Book Chapters

- Sweat H.L., Hardman W.J. and Solomon A.R. Nonneoplastic Diseases of the Skin, In: Diagnostic Surgical Pathology, third edition. Hong Kong: Lippincott Williams and Wilkins (1999).

Editorial Activities

- Reviewed the manuscript “Formaldehyde: Clinical Toxicology” for the journal *Laboratory Medicine*

Publications and Abstracts

- (1) Dass P.D., Bautista N.S., **Hardman W.J. III**, Lawson L.R. and Kurtz I. Benzoate Modulates Renal and Extrarenal Nitrogen Flow: Metabolic Mechanisms. *Life Science* 48:723-731 (1991)

Platform Presentations

- (1) **Hardman W.**, Howard T., Benian G., McGowan J., Metchock B. and Murtagh J. Inflammatory necrotizing granulomas that are acid fast stain and culture negative for mycobacteria but positive by the polymerase chain reaction in formalin-fixed paraffin embedded with clinicopathologic follow-up. The American Society of Clinical Pathologists, Fall Meeting, Resident Research Competition, New Orleans, La., September 19, 1995.
- (2) **Hardman W.** and Majmudar B. Synchronous endometrial adenocarcinoma and endometrioid carcinoma of the ovary. The 25th Annual George Papanicolaou Memorial Seminar in Gynecologic Pathology, Kansas City, Mo. November 16, 1995.
- (3) **Hardman W.** and Majmudar B. Human pulmonary dirofilariasis mimicking a malignancy, 89th Annual Scientific Assembly of the Southern Medical Association, Kansas City, Mo., November 17, 1995.
- (4) **Hardman W.** and Majmudar B. Tuberculosis in the female genital tract, 21st International Academy of Pathology meeting, Budapest, Hungary, October 22, 1996.
- (5) **Hardman W.** and Majmudar B. Human vs. canine *Dirofilaria Immitis* infection 21st International Academy of Pathology meeting, Budapest, Hungary, October 25, 1996.
- (6) **Hardman W.** and Majmudar B. Malakoplakia in the female urogenital tract, 90th Annual Scientific Assembly of the Southern Medical Association, Baltimore, Md., November 23, 1996.
- (7) **Hardman W.**, Varma V., Wallace T. and Giltman L. Potential pitfalls in the diagnosis of high-grade sarcoma by fine needle aspiration and true-cut biopsy, 90th Annual Scientific Assembly of the Southern Medical Association, Baltimore, Md., November 23, 1996.
- (8) **Hardman W.**, Majmudar B. and Templeton S. Cutaneous Crohn's disease of the vulva, 34th American Society of Dermatopathology meeting, San Francisco, Ca., March 18, 1997.

Poster Presentations

- (1) **Hardman W.**, Gramlich T., Cohen C., Fritch C., DeRose P. and Gansler T. Evaluation of c-erb B and c-myc gene amplification in epithelial ovarian carcinoma by differential polymerase chain reaction. 83rd Annual Meeting of the United States and Canadian Academy of Pathology, San Francisco, Ca. March 17, 1994.
- (2) **Hardman W.**, Majmudar B., DeRose P., Gramlich T., Gansler T. and Cohen C. Image cytometric quantitation of tumor angiogenesis in epithelial ovarian carcinoma. XX International congress of the International Academy of Pathology, Hong Kong, October 9, 1994.
- (3) **Hardman W.** and Majmudar B. Leiomyomatosis Peritonealis Disseminate. XX International Congress of the International Academy of Pathology, Hong Kong, October 9, 1994.
- (4) **Hardman W.**, Gal AA. And Pascal R. Synchronous adenocarcinoma and low grade B-cell lymphoma of the mucosa-associated lymphoid tissue (MALT-OMA) of the stomach associated with chronic gastritis. XX International Congress of the International Academy of Pathology, Hong Kong, October 9, 1994.

- (5) **Hardman W.**, Gansler T., Schaffel S. and Hennigar R. OA-519 immunostaining for fatty acid syntase portends poor prognosis in ovarian cancer. 84th Annual Meeting of the United States and Canadian Academy of Pathology, Toronto, Canada, March 14, 1995.
- (6) **Hardman W.** and Majmudar B. Comparisons and contrasts between human and canine pulmonary dirofilariasis. 89th Annual Scientific Assembly of the Southern Medical Association, Kansas City, Mo. November 15-18, 1995.
- (7) **Hardman W.** and Majmudar B. Crohn's disease in the female genital tract. 21st International Academy of Pathology meeting, Budapest, Hungary, October 24, 1996.
- (8) **Hardman W.** and Majmudar B. Malakoplakia in the female urogenital tract. 21st International Academy of Pathology meeting, Budapest, Hungary, October 24, 1996.
- (9) **Hardman W.**, Lee D., Unger E. and Weathers D. A clinicopathologic study with in situ hybridization analysis of human papillomavirus (HPV) in 22 cases of verruciform xanthomas from the oral mucosa. 21st International Academy of Pathology meeting, Budapest, Hungary, October 24, 1996.
- (10) **Hardman W.**, Unger E., Templeton S., Lee D. Vernon S., Miller D. and Weathers D. In situ hybridization and polymerase chain reaction analysis of human papillomavirus in verruciform xanthomas from the oral mucosa. 34th American Society of Dermatopathology meeting, San Francisco, Ca. March 19, 1997.
- (11) Morris R., **Hardman W.** and Solomon A. Acral polypoid giant cell tumor. 35th American Society of Dermatopathology meeting, Denver, Co., October 31, 1998.
